FALL SEMESTER 2012

Semester Classes Begin	Monday, August 20
Labor Day Holiday	Monday, September 3
Fall Break	Saturday, October 6, - Tuesday, October 9
Thanksgiving Vacation	Wednesday, November 21 - Sunday, November 25
Final Examinations	Monday, December 10 - Friday, December 14
Commencement	Saturday, December 15

SPRING SEMESTER 2013

Semester Classes Begin	Monday, January 14
Martin Luther King, Jr.'s Holiday	Monday, January 21
Spring Vacation	Saturday, March 9, - Sunday, March 17
Honors Day	Sunday, April 14
Final Examinations	Monday, May 6 - Friday, May 10
Commencement	Saturday, May 11

INTERSESSION 2013

Interession Begins	Monday, May 13
Interession Ends	Friday, June 7

SUMMER SEMESTER 2013

Eight Week Session Begins	Monday, June 10
Independence Day Holiday	Thursday, July 4
Final Examinations	Thursday, August 1 - Friday, August 2

Letter from Chancellor Cheng

Dear Faculty, Staff, and Students:

Welcome to the 2013 Fact Book. As it has done for 27 years, the staff of Institutional Research and Studies has produced a detailed, yet easy-to-read guide that captures the uniqueness of our University community, our campus, our history, and our outstanding programs.

Colleges and schools across the campus, along with numerous offices, assist with the preparation of the Fact Book. Contributing to the effort are the Colleges of Agricultural Sciences, Applied Sciences and Arts, Business, Education and Human Services, Engineering, Liberal Arts, Mass Communication and Media Arts, and Science, and the Schools of Law and Medicine.

Also contributing are: Undergraduate Admissions, Affirmative Action/Equal Opportunity, the SIU Alumni Association, Budget Office, Financial Aid, Accounting Services, Human Resources, International Programs and Services, Office of the President, Office of Sponsored Projects Administration, Office of the Provost and Vice Chancellor for Academic Affairs, University Communications, Printing/Duplicating Service and Physical Plant.

If you need more information or have questions related to the Fact Book, please contact Institutional Research and Studies at 536-2384, or via e-mail at irsdept@siu.edu. Thank you for your commitment to our University.

Sincerely,

A handwritten signature in black ink that reads "Rita Cheng". The signature is written in a cursive style with a large, sweeping "C" at the end.

Rita Cheng
Chancellor

Southern Illinois University Carbondale

Mission Statement

Southern Illinois University Carbondale, now in its second century, is a major public higher education institution dedicated to quality academic endeavors in teaching and research, to supportive programming for student needs and development, to effective social and economic initiatives in community, regional, and statewide contexts, and to affirmative action and equal opportunity.

Enrolling students throughout Illinois and the United States and from a large number of foreign countries, SIUC actively promotes the intellectual and social benefits of cultural pluralism, encourages the participation of non-traditional groups, and expands student horizons and leaders to superior undergraduate education.

Seeking to meet educational, vocational, professional, social, and personal needs of its diverse population of students and helping them fully realize their potential is a central purpose of SIUC. Emphasis on accessibility and regional service which creates distinctive instructional, research, and public service programs also gives SIUC its special character among the nation's research universities, and underlies other academic developments, such as its extensive doctoral programs and the schools of medicine and law.

Committed to the concept that research and creative activity are inherently valuable, SIUC supports intellectual exploration at advanced levels in traditional disciplines and in numerous specialized research undertakings, some of which are related directly to the southern Illinois region. Research directions are evolved from staff and faculty strengths and mature in keeping with long-term preparation and planning.

Even as SIUC constantly strives to perpetuate high quality in both instruction and research, it continues a long tradition of service to its community and region. Its unusual strengths in the creative and performing arts provide wide-ranging educational, entertainment, and cultural opportunities for its students, faculty, staff, and the public at large. Its programs of public service and its involvement in the civic and social development of the region are manifestations of a general commitment to enhance the quality of life through the exercise of academic skills and application of problem-solving techniques. SIUC seeks to help solve social, economic, educational, scientific, and technological problems, and thereby to improve the well-being of those whose lives come into contact with it.

Focus Statement

Southern Illinois University Carbondale offers a full range of baccalaureate programs, is committed to graduate education through the doctoral degree, and gives high priority to research. It receives substantial federal support for research and development and annually awards a significant number of doctoral degrees balanced among selected liberal arts and sciences disciplines and professional programs. In addition to pursuing statewide goals and priorities, Southern Illinois University Carbondale:

- strives to develop the professional, social, and leadership skills expected of college students and to improve student retention and achievement;

- supports the economic, social, and cultural development of southern Illinois through appropriate undergraduate, graduate, and professional education and research;
- develops partnerships with communities, businesses, and other colleges and universities, and develops utilization of telecommunications technologies;
- cultivates and sustains a commitment in research and instruction to problems and policy issues related to the region and the state's natural resources and environment;
- strives to meet the health care needs of central and southern Illinois through appropriate health-related programs, services, and public health policy; and
- cultivates and sustains diversity through a commitment to multiculturalism, including international programming.

Priorities Statement

Southern Illinois University has an unequivocal commitment to excellence in teaching, scholarly/creative activities, and service and the achievement of these objectives within an affordable educational experience for all of our students. Within these objectives, and consistent with the distinctive missions of the Carbondale and Edwardsville campuses, is an explicit commitment to the tradition of affirmatively supporting the educational needs of underrepresented and disadvantaged populations in the state.

To achieve these objectives, the following priorities have been established:

- To improve teaching and learning and strengthen undergraduate, graduate and professional education, we shall take advantage of existing and emerging

programmatic strengths and bridge school-to-work by increasing work-based learning experiences for our students.

- To enhance student success, we shall involve all members of the University community in implementing an effective, targeted recruitment strategy and improving student retention, including the elimination of obstacles to timely degree completion.
- To strengthen our commitment to faculty and staff development as well as ensure a closer correlation of productivity, faculty and staff workload, and reward systems as defined by the role and mission of each program and administrative unit.
- To expand inter- and intra-campus collaboration in order to strengthen international education, degree programs, distributed learning, fundraising, research opportunities for students and faculty, and streamline administrative processes. Resources resulting from such efficiencies shall be directed to the University's primary educational mission.
- To build public and private sector partnerships that address the state's needs and strengthen the University's leadership role in the region.

Achievement of these priorities requires the commitment and dedication of the entire University community.

Revised Mission Statement was approved by SIU Board of Trustees on March 13, 2003. Focus and Priorities statements approved by SIU Board of Trustees on June 11, 1998.

DEFINITIONS OF TERMS USED

The purpose of this section is to define terms used in the Fact Book, and as they are used by the University. Assisting the customer to understand the terms used in the tables and graphs is a primary objective.

BUDGET

General Revenue Funds are those funds established to receive the major portion of the tax revenues and to pay the regular operating and administrative expenses of most State agencies. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

Educational Assistance Fund is a "Special State Fund" established July 1, 1989 by the Illinois Income Tax Act. This act establishes that a portion of the state income tax be provided as financial assistance to Elementary, Secondary, and Higher Education in the State of Illinois. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

University Income Funds are those funds which receive revenues such as course-specific fees and tuition at State-supported institutions of higher education. These funds are appropriated for the support, operation and improvement of State-supported colleges and universities. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

University Wide Services are those operations provided centrally that function for the entire University system as opposed to one specific unit.

ENROLLMENTS

Full-time students are undergraduate students enrolled for 12 or more credit hours per semester and graduate students enrolled for 9 or more credit hours per semester. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

FTE (full-time equivalent) is defined as an enrollment unit used to represent a student enrolled for a full course of study. It is calculated by dividing total credit hours generated by 15 for undergraduate students and by 12 for a graduate student for a semester FTE. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

Headcount is defined as the count of each student enrolled for one or more courses taken in a semester on the 10th day of the semester's start.

Non-degree Seeking student is identified as a student enrolled in courses for credit who is not recognized by the institution as seeking a degree or formal award. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

Non-persisting indicates a student who is no longer enrolled at Southern Illinois University Carbondale in any program. Furthermore, this term is used to identify a student who is enrolled in a fall semester of an academic year and does not return the following fall semester.

Undeclared/Unclassified student is identified as a student who has enrolled in instructional courses but has not been officially accepted into one of the institution's authorized degree programs. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

FACULTY AND STAFF (Source: [NCES](#) and [U.S. Bureau of Labor Statistics, 2010 SOC Definitions](#))

Business and Financial Operations Occupations include business operations specialists; financial specialists.

Community Service, Legal, Arts, and Media Occupations include counselors, social workers; lawyers and other legal support workers; arts, design, entertainment, sports, and media occupations.

Computer, Engineering, and Science Occupations include mathematical and science occupations; computer programmers; database administrators; architecture; engineering occupations.

Graduate Teaching Assistants assists faculty by performing teaching or teaching-related duties.

Healthcare Practitioners and Technical Occupations include healthcare practitioners and technical occupations.

Librarians, Curators, and Archivists include museum technicians and conservators; librarians and library technicians; audio-visual and multimedia collections specialists.

Management Occupations include top executives; advertising, marketing, promotions, public relations, and sales managers; operations specialties managers.

Natural Resources, Construction, and Maintenance Occupations include farming, fishing, and forestry occupations; construction and extraction occupations; installation, maintenance, and repair occupations.

Non-postsecondary Teaching Occupations include pre-school, primary, secondary, and special education school teachers; other teachers and instructors; other education, training, and library occupations.

Office and Administrative Support Occupations include financial clerks; information and record clerks; customer service representatives; library assistants, clerical; receptionists; dispatchers; postal service workers; secretaries and administrative assistants; statistical assistants.

Part-time Faculty include faculty with less than a 95 percent appointment at the University.

Postsecondary Teachers are reported by the following functions: instruction, instruction combined with research and/or public service, research, and public service.

Production, Transportation, and Material Moving Occupations include food processing workers; computer control programmers and operators; printing workers; plant and system operators; air transportation workers; motor vehicle operators.

Sales and Related Occupations include retail sales workers; sales supervisors; telemarketers.

Service Occupations include healthcare support occupations; protective service occupations; food prep and serving-related occupations; building and grounds cleaning and maintenance occupations; personal care and service occupations.

OTHER

CIP or Classification of Instructional Programs Code is a taxonomic coding scheme for secondary and postsecondary instructional programs. The CIP is the accepted Federal Government statistical standard on instructional program classifications and is used in a variety of education information surveys and databases. This is the Integrated Postsecondary Education Data System (IPEDS) Glossary of Terms.

CPI or Consumer Price Index is a measure of the average change in prices over time paid for food, clothing, shelter, transportation, and the other goods and services that people buy for day-to-day living. The U.S. Bureau of Labor Statistics compiles this index. (Source: [2008 HEPI, Commonfund Institute](#))

HEPI or Higher Education Price Index is a measure of the average relative level in the prices of a fixed market of goods and services purchased by colleges and universities. Government agencies and industry provide data to compile this index. (Source: [2008 HEPI, Commonfund Institute](#))

LAC Fees stands for "Legislative Audit Commission Guideline Fees." LAC fees are course specific fees or other revenue derived from instructional activities. Examples of this type of fee include course specific fees, application fees, graduation fees, transcript fees, and library fines.

Student Credit Hour is a unit awarded a student for completing instruction of at least one hour per week for a semester (usually 15 weeks) or laboratory work of two to three hours per week for a semester. Quarter credits and short courses are prorated according to the above standard. (Source: Illinois Board of Higher Education)

Lower Division Students (undergraduate) is a student who has accumulated fewer than 60 semester credit hours (90 quarter credit hours) or the equivalent. (Source: Illinois Board of Higher Education)

Upper Division Students (undergraduate) is a student who has completed at least 60 semester credit hours (90 quarter credit hours) or an unclassified (irregular or special) student who has not been admitted to the graduate division or to a professional college or school giving a post baccalaureate degree. (Source: Illinois Board of Higher Education)

Graduate I Students (graduate) is a student holding a bona fide bachelor's degree who has been admitted to the graduate division or to a professional school either as a candidate for a master's degree, advanced degree or certificate, or as an unclassified graduate student. (Source: Illinois Board of Higher Education)

Graduate II Students (graduate) is a student holding a bona fide master's degree or an advanced certificate beyond the master's degree who has been admitted to a doctoral program. Also, a student holding a bona fide bachelor's degree who has been formally admitted to a doctoral program and who has completed at least 30 semester credit hours toward the doctoral degree is considered a Graduate II student. A Graduate II student can exist only in programs for which the institution offers an approved doctoral degree. (Source: Illinois Board of Higher Education)

Race/ethnicity (old definition): Categories used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. A person may be counted in only one group. The groups used to categorize U.S. citizens, resident aliens, and other eligible noncitizens are as follows: American Indian/Alaska Native; Asian/Pacific Islander; Black, non-Hispanic; Hispanic; White, non-Hispanic. (Source: National Center for Education Statistics)

Race/ethnicity (new definition effective Fall 2010): Categories developed in 1997 by the Office of Management and Budget that are used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. The designations are used to categorize U.S. citizens, resident aliens, and other eligible noncitizens.

Individuals are asked to first designate ethnicity as
Hispanic or Latino; or
Not Hispanic or Latino.

Second, individuals are asked to indicate all races that apply among the following:

American Indian or Alaska Native;
Asian;
Black or African American;
Native Hawaiian or Other Pacific Islander; and
White.

2008	2,555	67.9%	55.7%	24.4%	23.8%				
2009	2,322	68.8%	57.3%						
2010	2,198	66.2%	53.5%						
2011	2,304	60.3%							

NOTES: Percents are cumulative rather than annual percents.

Each graduation year contains all recorded graduations of students in a graduation year of December, May, and August. Each cohort consists of all new full-time freshmen entering SIU Carbondale in the respective summer and continuing into fall, or entering in that fall semester for the first time. On-campus only degree-seeking students are included in each cohort. All 10th-day cohorts were tracked through the end of Fall Semester 2012, and the status of the student is recorded each fall semester following the fall semester the student entered as a new freshman: did the student graduate, is the student still persisting, or is the student a non-persister.

Continued to 2nd Year, 3rd Year, etc. is defined as a student who returns for the Fall semester of that year.

The cohort headcount for new, full-time freshmen will not match Fact Book Table 2 because Table 2 includes associate degree-seeking and off-campus students as well as baccalaureate degree-seeking students.

SOURCE: Institutional Research and Studies Longitudinal Student History File and 10th-day student census files.

NOTES: Academic Year includes Fall and Spring semester.

Effective Fall 2004, non-resident tuition changed from 2 to 2.5 times resident tuition.

** Effective Fall 2004, the Guaranteed Tuition Stabilization Plan for first-time undergraduate students was enacted.

New first-time freshmen from the 34 southern most counties in Illinois who qualify for the Academic Competitiveness Grant will be given an alternate tuition rate of 0.8 times the normal residency rate, guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

The non-residency multiplier for students from Missouri, Kentucky, Indiana, Tennessee, and Arkansas will be 1.0. For undergraduates, this multiplier will be guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

Tuition costs are locked in at the same annual rate for up to four continuous academic years following initial enrollment.

The minimum course load for full-time as an undergraduate is 12 hours and the typical load is 15 hours.

HEPI Index Value and CPI Index Value in 1982-84 = 100.

**Table 29: Statement of Revenues, Expenses and Changes in Net Assets
For the Year Ended June 30, 2011**

NOTES:

Includes Carbondale campus and School of Medicine at Springfield.

The Statement of Revenues, Expenses and Changes in Net Assets differentiates between operating and nonoperating revenues and expenses, and displays the net income or loss from operations. An operating loss will always result since revenues from state appropriations are mandated as nonoperating.

Tuition and fee revenues have been reduced by scholarship and fellowship amounts that have already been recognized as revenues. Scholarship allowances totaled \$30,009,545 in FY 2011.

The depreciation of capital assets is presented as an operating expense.

Auxiliary enterprises are operated primarily for service to students and staff and are intended to be self supporting, such as Housing, Student Center, Student Health Programs, Student Recreation Facility, and Parking.

During FY 2010 the University received federal stimulus funds - American Recovery and Reinvestment Act of 2009 - which were appropriated by the state. These funds are not available in FY 2011.

Nonoperating grants and contracts are nonexchange transactions, primarily federal student aid programs such as Pell grants.

Payments on behalf of the University represent health care and retirement costs paid by the State of Illinois on behalf of University employees. These costs are reflected as operating expenses under the appropriate functional classification and as nonoperating revenues.

* Percent of total Appropriations and Income Fund for the fiscal year.

Table 30: Budgeted State Appropriations and Income Fund History, Fiscal Years 2004-2013**NOTES:**

General Revenue Funds (GR) are those funds established to receive the major portion of the tax revenues and to pay the regular operating and administrative expenses of most State agencies.

Educational Assistance Fund (EAF) is a "Special State Fund" established July 1, 1989 by the Illinois Income Tax Act. This act establishes that a portion of the state income tax be provided as financial assistance to Elementary, Secondary, and Higher Education in the State of Illinois.

University Income Funds (IF) are those funds which receive revenues such as course-specific fees and tuition at State-supported institutions of higher education. These funds are appropriated for the support, operation and improvement of State-supported colleges and universities.

University Wide Services are those operations provided centrally that function for the entire University system as opposed to one specific unit.

Fund source definitions are from Comptroller's Uniform Statewide Accounting System (Procedure 09.10.20).
