## *Letter from Chancellor Cheng*

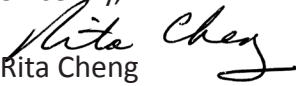

Dear faculty, staff, students and friends,

The 2014 Fact Book presents a snapshot of SIU and looks at recent trends in everything from students to staff to budget. It reflects the numbers behind a transformational year in which we attracted a large, high-achieving class of new students, were ranked among the top 100 public universities in the country, and continued to conduct leading-edge research that made a difference in our region and beyond.

This Fact Book, our 28<sup>th</sup>, is the collaborative effort of our academic colleges and schools and offices across campus that track data related to students, faculty and staff, alumni, finances and more. We are grateful for their input. We are also grateful to all of our faculty, staff, donors and friends who make the data in this book possible through your work and support. Thanks to you, big things are always within reach at SIU.

If you need more information or have questions related to the Fact Book, please contact Institutional Research and Studies at 536-2384, or via e-mail at [irsdept@siu.edu](mailto:irsdept@siu.edu). Thank you for your commitment to our University.

Sincerely,

  
Rita Cheng  
Chancellor

Note: First-time Freshman headcounts include those students who entered SIUC in the summer, the rest are Fall only  
 1. The "Number of Applications" for 2013 reflects a shift in SIU's approach to tracking and reporting applications and does not reflect an actual decline in total applications received (in fact, 2.8% more applications were received in 2013 compared to 2012). Beginning in 2013, SIU is reporting only those applications considered to be "actionable," consistent with nationally recognized definitions.

NOTES: Percents are cumulative rather than annual percents. Each graduation year contains all recorded graduations of students in a graduation year of December, May, and August. Each cohort consists of all new full-time freshmen entering SIU Carbondale in the respective summer and continuing into fall, or entering in that fall semester for the first time. On-campus only degree-seeking students are included in each cohort. All 10th-day cohorts were tracked through 10th day of Fall Semester 2013, and the status of the student is recorded each fall semester following the fall semester the student entered as a new freshman: did the student graduate, is the student still persisting, or is the student a non-persister. Continued to 2nd Year, 3rd Year, etc. is defined as a student who returns for the Fall semester of that year. The cohort headcount for new, full-time freshmen will not match Fact Book Table 2 because Table 2 includes associate degree-seeking and off-campus students as well as baccalaureate degree-seeking students.

NOTES: Academic Year includes Fall and Spring semester.

Effective Fall 2004, non-resident tuition changed from 2 to 2.5 times resident tuition.

\*\* Effective Fall 2004, the Guaranteed Tuition Stabilization Plan for first-time undergraduate students was enacted.

New first-time freshmen from the 34 southern most counties in Illinois who qualify for the Academic Competitiveness Grant will be given an alternate tuition rate of 0.8 times the normal residency rate, guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

The non-residency multiplier for students from Missouri, Kentucky, Indiana, Tennessee, and Arkansas will be 1.0. For undergraduates, this multiplier will be guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

Tuition costs are locked in at the same annual rate for up to four continuous academic years following initial enrollment.

The minimum course load for full-time as an undergraduate is 12 hours and the typical load is 15 hours.

NOTES: Academic Year includes Fall and Spring semester.

Effective Fall 2004, non-resident tuition changed from 2 to 2.5 times resident tuition.

The minimum course load for full-time as a graduate student is 12 hours for financial awarding purposes.

Graduate students are not assessed the Student-to-Student Grant Program Fee.

**Statement of Revenues, Expenses and Changes in Net Position  
For the Year Ended June 30, 2013**

**NOTES:**

Includes Carbondale campus and School of Medicine at Springfield.

The Statement of Revenues, Expenses and Changes in Net Position differentiates between operating and nonoperating revenues and expenses, and displays the net income or loss from operations. An operating loss will always result since revenues from state appropriations are mandated as nonoperating.

Tuition and fee revenues have been reduced by scholarship and fellowship amounts that have already been recognized as revenues. Scholarship allowances totaled \$29,533,681 in FY 2013.

The depreciation of capital assets is presented as an operating expense.

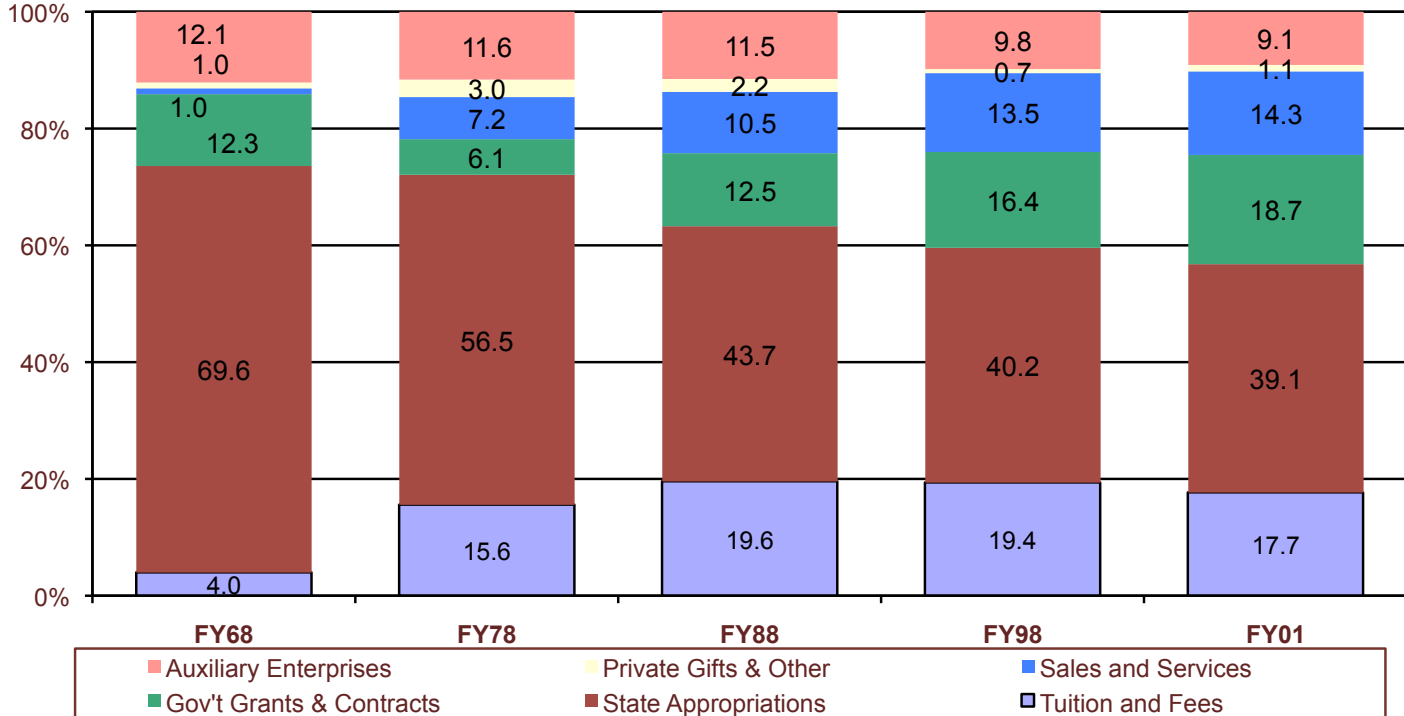

Auxiliary enterprises are operated primarily for service to students and staff and are intended to be self supporting, such as Housing, Student Center, Student Health Programs, Student Recreation Facility, and Parking.

Nonoperating grants and contracts are nonexchange transactions, primarily federal student aid programs such as Pell grants.

Payments on behalf of the University represent health care and retirement costs paid by the State of Illinois on behalf of University employees. These costs are reflected as operating expenses under the appropriate functional classification and as nonoperating revenues.

## DEFINITIONS OF TERMS USED

The purpose of this section is to define terms used in the Fact Book, and as they are used by the University. Assisting the customer to understand the terms used in the tables and graphs is a primary objective.

### BUDGET

**General Revenue Funds** are those funds established to receive the major portion of the tax revenues and to pay the regular operating and administrative expenses of most State agencies. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

**Educational Assistance Fund** is a "Special State Fund" established July 1, 1989 by the Illinois Income Tax Act. This act establishes that a portion of the state income tax be provided as financial assistance to Elementary, Secondary, and Higher Education in the State of Illinois. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

**University Income Funds** are those funds which receive revenues such as course-specific fees and tuition at State-supported institutions of higher education. These funds are appropriated for the support, operation and improvement of State-supported colleges and universities. (Source: Comptroller's Uniform Statewide Accounting System-Procedure 09.10.20)

**University Wide Services** are those operations provided centrally that function for the entire University system as opposed to one specific unit.

### ENROLLMENTS

**Full-time** students are undergraduate students enrolled for 12 or more credit hours per semester and graduate students enrolled for 9 or more credit hours per semester. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

**FTE (full-time equivalent)** is defined as an enrollment unit used to represent a student enrolled for a full course of study. It is calculated by dividing total credit hours generated by 15 for undergraduate students and by 12 for a graduate student for a semester FTE. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

**Headcount** is defined as the count of each student enrolled for one or more courses taken in a semester on the 10<sup>th</sup> day of the semester's start.

**Non-degree Seeking** student is identified as a student enrolled in courses for credit who is not recognized by the institution as seeking a degree or formal award. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

**Non-persisting** indicates a student who is no longer enrolled at Southern Illinois University Carbondale in any program. Furthermore, this term is used to identify a student who is enrolled in a fall semester of an academic year and does not return the following fall semester.

**Undeclared/Unclassified** student is identified as a student who has enrolled in instructional courses but has not been officially accepted into one of the institution's authorized degree programs. This is the Integrated Postsecondary Education Data System (IPEDS) definition. (Source: National Center for Education Statistics)

## **OTHER**

**CIP or Classification of Instructional Programs Code** is a taxonomic coding scheme for secondary and postsecondary instructional programs. The CIP is the accepted Federal Government statistical standard on instructional program classifications and is used in a variety of education information surveys and databases. This is the Integrated Postsecondary Education Data System (IPEDS) Glossary of Terms.

**CPI or Consumer Price Index** is a measure of the average change in prices over time paid for food, clothing, shelter, transportation, and the other goods and services that people buy for day-to-day living. The U.S. Bureau of Labor Statistics compiles this index. (Source: [2008 HEPI, Commonfund Institute](#))

**HEPI or Higher Education Price Index** is a measure of the average relative level in the prices of a fixed market of goods and services purchased by colleges and universities. Government agencies and industry provide data to compile this index. (Source: [2008 HEPI, Commonfund Institute](#))

**LAC Fees** stands for "Legislative Audit Commission Guideline Fees." LAC fees are course specific fees or other revenue derived from instructional activities. Examples of this type of fee include course specific fees, application fees, graduation fees, transcript fees, and library fines.

**Student Credit Hour** is a unit awarded a student for completing instruction of at least one hour per week for a semester (usually 15 weeks) or laboratory work of two to three hours per week for a semester. Quarter credits and short courses are prorated according to the above standard. (Source: Illinois Board of Higher Education)

**Lower Division Students (undergraduate)** is a student who has accumulated fewer than 60 semester credit hours (90 quarter credit hours) or the equivalent. (Source: Illinois Board of Higher Education)

**Upper Division Students (undergraduate)** is a student who has completed at least 60 semester credit hours (90 quarter credit hours) or an unclassified (irregular or special) student who has not been admitted to the graduate division or to a professional college or school giving a post baccalaureate degree. (Source: Illinois Board of Higher Education)

**Graduate I Students (graduate)** is a student holding a bona fide bachelor's degree who has been admitted to the graduate division or to a professional school either as a candidate for a master's degree, advanced degree or certificate, or as an unclassified graduate student. (Source: Illinois Board of Higher Education)

**Graduate II Students (graduate)** is a student holding a bona fide master's degree or an advanced certificate beyond the master's degree who has been admitted to a doctoral program. Also, a student holding a bona fide bachelor's degree who has been formally admitted to a doctoral program and who has completed at least 30 semester credit hours toward the doctoral degree is considered a Graduate II student. A Graduate II student can exist only in programs for which the institution offers an approved doctoral degree. (Source: Illinois Board of Higher Education)

**Race/ethnicity (old definition):** Categories used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. A person may be counted in only one group. The groups used to categorize U.S. citizens, resident aliens, and other eligible noncitizens are as follows: American Indian/Alaska Native; Asian/Pacific Islander; Black, non-Hispanic; Hispanic; White, non-Hispanic. (Source: National Center for Education Statistics)

**Race/ethnicity (new definition effective Fall 2010):** Categories developed in 1997 by the Office of Management and Budget that are used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. The designations are used to categorize U.S. citizens, resident aliens, and other eligible noncitizens.

Individuals are asked to first designate ethnicity as  
Hispanic or Latino; or  
Not Hispanic or Latino.

Second, individuals are asked to indicate all races that apply among the following:

American Indian or Alaska Native;  
Asian;  
Black or African American;  
Native Hawaiian or Other Pacific Islander; and  
White.
