

A photograph of a university campus. In the foreground, a concrete wall with a metal railing runs across the frame. Several students are walking on a paved path that leads into the distance. On the left, there are green bushes and a tree with pink blossoms. On the right, there are black lampposts with banners. One banner says "SOU CARBONDALE" and another says "SOU CARBONDALE INITIALLY REWARDED". The background shows more trees and a building.

## Letter from Brad Colwell --

Dear faculty, staff, students and friends of SIU:

Welcome to the 2016 *FactBook*, which presents current and historical data about SIU Carbondale in an easy-to-read guide.

Our academic colleges and schools, along with numerous offices, contributed the information about students, faculty and staff, alumni, finances and more that you will find in this edition. We also appreciate all of our faculty, staff, donors and friends who make the data in this book possible through your great work and support.

If you need more information or have questions related to the *FactBook*, please contact Institutional Research and Studies at 618/536-2384 or via e-mail at [irsdept@siu.edu](mailto:irsdept@siu.edu).

Thank you for your commitment to our university.

Sincerely,

A handwritten signature in black ink that reads "Brad Colwell". The signature is written in a cursive style with a large, prominent initial "B".

NOTES: First-time Freshman headcounts include those students who entered SIUC in the summer, the rest are Fall only

1. The "Number of Applications" for 2013 reflects a shift in SIU's approach to tracking and reporting applications and does not reflect an actual decline in total applications received (2.8% more applications were received in 2013 compared to 2012). Beginning

in 2013, SIU is reporting only those applications considered to be actionable, consistent with nationally recognized practices. The number of First-time Freshman applications could vary slightly from what is reported to IPEDS because students that do not specify gender are not included in IPEDS.

2. Prior to 2013, First-time Freshman admitted headcounts excluded those students who withdrew after an admitted decision had been made.

Beginning in 2013, SIU is also reporting admitted students consistent with nationally recognized practices.

NOTES: Percents are cumulative rather than annual percents. Each graduation year contains all recorded graduations of students in a graduation year of December, May, and August. Each cohort consists of all new full-time freshman entering SIU Carbondale in the respective summer and continuing into fall, or entering in that fall semester for the first time. On-campus only degree-seeking students are included in each cohort. All 10th day cohorts were tracked through 10th day of Fall semester 2015, and the status of the student entered as a new freshman: did the student graduate, is the student still persisting, or is the student a non-persister. Continued to 2nd Year, 3rd Year, etc. is defined as a student who returns for Fall semester of that year.

The cohort headcount for new, full-time freshmen will not match Fact Book table, Enrollments by Full-Time/Part-Time within Class Level, because that table includes associate degree-seeking and off-campus students as well as baccalaureate degree-seeking students.

NOTES: Academic Year includes Fall and Spring semester.

New first-time freshmen from the 34 southern most counties in Illinois who qualify for the Academic Competitiveness Grant will be given an alternate tuition rate of 0.8 times the normal residency rate, guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

The non-residency multiplier for students from Missouri, Kentucky, Indiana, Tennessee, and Arkansas will be 1.0. For undergraduates, this multiplier will be guaranteed for four years along with the appropriate Guaranteed Tuition Plan.

Tuition costs are locked in at the same annual rate for up to four continuous academic years following initial enrollment.

The minimum course load for full-time as an undergraduate is 12 hours, and the typical load is 15 hours.

**Statement of Revenues, Expenses and Changes in Net Position  
For the Year Ended June 30, 2015**

**NOTES:**

Includes Carbondale campus and School of Medicine at Springfield.

The Statement of Revenues, Expenses and Changes in Net Position differentiates between operating and nonoperating revenues and expenses, and displays the net income or loss from operations. An operating loss will always result since revenues from state appropriations are mandated as nonoperating.

Tuition and fee revenues have been reduced by scholarship and fellowship amounts that have already been recognized as revenues. Scholarship allowances totaled \$55,754,878 in FY15.

The depreciation of capital assets is presented as an operating expense.

Auxiliary enterprises are operated primarily for service to students and staff and are intended to be self supporting, such as Housing, Student Center, Student Health Programs, Student Recreation Facility, and Parking.

Nonoperating grants and contracts are nonexchange transactions, primarily federal student aid programs such as Pell grants.

Payments on behalf of the University represent health care and retirement costs paid by the State of Illinois on behalf of University employees. These costs are reflected as operating expenses under the appropriate functional classification and as nonoperating revenues.

## NOTES:

\* Percent of Total Appropriations and Income Fund for each budgetary unit for the fiscal year.

## **Budgeted State Appropriations and Income Fund History, Fiscal Years 2007-2016**

### NOTES:

During FY16, the General Assembly enacted two stop gap appropriations (SB2059 and SB2047). The first provided about 31% of the prior year's appropriation. The second bill, passed on June 30, 2016, provided funding totaling almost \$75 million that may be used in either FY16 or FY17. SIU is using the second stop gap appropriation to fund FY16 expenses.

General Revenue Funds (GR) are those funds established to receive the major portion of the tax revenues and to pay the regular operating and administrative expenses of most State agencies.

Educational Assistance Fund (EAF) is a "Special State Fund" established July 1, 1989 by the Illinois Income Tax Act. This act establishes that a portion of the state income tax be provided as financial assistance to Elementary, Secondary, and Higher Education in the State of Illinois.

University Income Funds (IF) are those funds which receive revenues such as course-specific fees and tuition at State-supported institutions of higher education. These funds are appropriated for the support, operation and improvement of State-supported colleges and universities.

University-Wide Services are those operations provided centrally that function for the entire University system as opposed to one specific unit.

Fund source definitions are from Comptroller's Uniform Statewide Accounting System (Procedure 09.10.20).

Also, a student holding a bona fide bachelor's degree who has been formally admitted to a doctoral program and who has completed at least 30 semester credit hours toward the doctoral degree is considered a Graduate II student. A Graduate II student can exist only in programs for which the institution offers an approved doctoral degree. (Source: Illinois Board of Higher Education)

**Race/ethnicity (old definition):** Categories used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. A person may be counted in only one group. The groups used to categorize U.S. citizens, resident aliens, and other eligible noncitizens are as follows: American Indian/Alaska Native,

Asian/Pacific Islander, Black, non-Hispanic, Hispanic, White, non-Hispanic. (Source: National Center for Education Statistics)

**Race/ethnicity (new definition effective Fall 2010):** Categories developed in 1997 by the Office of Management and Budget that are used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. The designations are used to categorize U.S. citizens, resident aliens, and other eligible noncitizens.

Individuals are asked to first designate ethnicity as  
Hispanic or Latino; or  
Not Hispanic or Latino.

Second, individuals are asked to indicate all races that apply among the following:

American Indian or Alaska Native;  
Asian;  
Black or African American;  
Native Hawaiian or Other Pacific Islander; and
